4. član

Za pristup Centralnoj bazi podataka koristi se za to posebno namijenjena aplikacija CVS Mobile WEB, koju pretplatniku na početku pretplatničkog ugovora dostavlja i instalira ponuđač.

Ponuđač će pretplatnika obavještavati o novim uslugama koje sustav omogućuje, o novim paketima, izmjenama paketa, o cijenama i izmjenama cijena usluga, kao i o zemljama u kojima je funkcionalnost usluge CVS Mobile na raspolaganju preko internet adrese: <http://www.cvs-mobile.hr>.

Ponuđač će osiguravati uslugu CVS Mobile, koja se zasniva na tehnologiji prijenosa GPRS ili drugih odgovarajućih načina prijenosa podataka, sve dok takav prijenos bude osiguravao koncesionar ili dok takav prijenos bude tehnički moguć i opravdan. Ukoliko koncesionar trajno prestane osiguravati prijenos ili takav prijenos više ne bude tehnički moguć i opravdan, ponuđač može bez obveza po vlastitoj procjeni odustati od pretplatničkog ugovora ili osigurati prijenos preko drugog koncesionara.

Pretplatnik je za korištenje usluge CVS Mobile dužan o vlastitom trošku pribaviti odgovarajući internetsku vezu. Minimalna brzina internetske veze za odgovarajući odziv sustava je 64 kb/s (jedan ISDN kanal) ili brža i računalno s internet pretraživačem.

Pretplatnik ne smije koristiti SIM karticu koja je integrirana u GPS/GSM modeme ili drugu opremu u nekom drugom terminalu ili za drugu svrhu osim one koja je određena u pretplatničkom ugovoru. Pretplatnik ne smije prodati opremu ili je na drugi način proslijediti trećim osobama, niti im omogućiti njezino korištenje i to bez obzira na to je li pretplatnik opremu kupio ili samo unajmio niti nakon prestanka pretplatničkog odnosa, osim ukoliko je za to prethodno dobio izričitu pisani suglasnost ponuđača.

Sva prava intelektualnog vlasništva za obavljanje usluge CVS Mobile i na opremi su u vlasništvu ponuđača. Pretplatnik pretplatničkim odnosom ne stječe nikakva prava na ova prava intelektualnog vlasništva, osim prava korištenja koja su izričito navedena u pretplatničkom ugovoru i ovim općim uvjetima.

POČETAK PRETPLATNIČKOG ODNOSA**5. član**

Pretplatnički odnos za korištenje CVS Mobile nastaje sklapanjem pretplatničkog ugovora i počinje važiti posebno za svako vozilo od trenutka uključivanja vozila u sustav CVS Mobile, što potvrđuje pretplatnik potpisivanjem radnog naloga. Trenutak uključivanja vozila u sustav označava i početak trajanja pretplatničkog odnosa određenog pretplatničkim ugovorom. Na njega se nadovezuju sva prava i obveze iz pretplatničkog ugovora i ovih općih uvjeta.

U pretplatničkom ugovoru strane između ostalog određuju paket usluga (prácaenje unutar Republike Hrvatske i u inozemstvu), kao i funkcionalnosti paketa (prácaenje ili prácaenje i komunikacija ili prácaenje s komunikacijom i telemetrijom itd.) i/ili se oprema iznajmljuje ili je pretplatnik kupuje. U pretplatničkom ugovoru se određuje i trajanje pretplatničkog odnosa.

Podaci koje pretplatnik navede u pretplatničkom ugovoru moraju biti realni, točni i potpuni, jer je u suprotnom pretplatnik materijalno odgovoran.

ZAKUPNINA I PREPLATA**6. član**

Cijene kupovine i unajmljivanja ponuđačeve opreme i visina preplate ponuđačevih usluga su definirane u cijeniku koji je sastavni dio pretplatničkog ugovora između ponuđača i pretplatnika.

Ponuđač će izdati račun za usluge prema ovom ugovoru do svakog posljednjeg dana u mjesecu za tekući mjesec. Rok plaćanja za ugovorne usluge je 15 dana od datuma izdavanja računa. Kupovnu cijenu za plaćanje opreme u slučaju da je pretplatnik kupuje, pretplatnik je dužan platiti u roku od osam dana od montaže opreme u vozila, osim ako se s ponuđačem ne dogovori drukčije.

Mjesečna preplata predstavlja fiksni mjesecni paušal.

Ponuđač zadržava pravo na izmjenu preplate na usluge CVS Mobile i na izmjenu cijena zakupa i zakupa ponuđačeve opreme. Ponuđač će o izmjenama cijena pravovremeno obavijestiti naručitelja, barem mjesec dana prije početka važenja novih cijena.

7. član

Pretplata se obračunava na sljedeći način:

- pretplata se obračunava za tekući mjesec,
- za novo priključivanje vozila u sustav preplata se obračunava od datuma

All rights related to the intellectual property for providing the CVS Mobile Service and to the equipment are under the ownership of the Provider. The subscription shall not enable the Subscriber to acquire any rights to this intellectual property, except for the rights to use which are expressly specified in the subscription agreement and these General Terms and Conditions.

START OF THE SUBSCRIPTION**Article 5**

The subscription for using CVS Mobile is created by entering into a subscription agreement and shall come into effect for each individual vehicle separately at the moment of inclusion of the vehicle into the CVS Mobile system, which the Subscriber acknowledges by signing the work order. The moment of the inclusion of the vehicle in the system shall also denote the start of the duration of the subscription established by the subscription agreement. Any rights and obligations arising from the subscription agreement and these Terms and Conditions are linked thereto.

The parties to the subscription agreement inter alia specify the Service package (tracking within the Republic of Slovenia and abroad), as well as the functionality of the package (tracking or tracking and communication or tracking with communication and telemetry, etc.) and/or whether the equipment is leased or bought. The Provider shall deliver an invoice for the services under this agreement each last day of month for the current month. The payment term for the agreed services shall be fifteen day from the date of the invoice. The purchase price for the payment of the equipment, if the Subscriber purchases it, shall be paid by the Subscriber within eight days following the date of the installation of the equipment into the vehicles, if not otherwise agreed with the Service Provider.

The monthly fee is the fixed monthly lump sum.

The Service Provider reserves the right to change the fee for the CVS Mobile service, and to change the price for the lease and the lease of the Provider's equipment. The Service Provider shall notify the Subscriber about the change in prices in a timely manner, at least one month prior to the effective date of new prices.

Preplatnik je dužan prema ponuđaču podmiriti sve troškove naplate duga njegovih dospjeлиh obveza.

MONTAŽA, PREMONTAŽA I DEMONTAŽA

8. član

Oprema će se ugrađivati u vozila preplatnika prema naknadno dogovorenoj dinamici.

9. član

Montaža, premontaža i demontaža opreme mogu izvoditi samo ovlašteni servisi ponuđača.

Montaža, premontaža i demontaža se obraćunavaju u skladu s važećim cjenikom ponuđača koji važi na dan montaže, premontaže ili demontaže. Ponuđač zadržava pravo da bilo kada izmjeni cjenik montaže, premontaže i demontaže.

Preplatnik ni u jednom slučaju ne smije sam ili preko treće osobe, koje nije ponuđač ili ovlašteni servis ponuđača, montirati, premontirati ili demontirati opremu i odgovara za svu štetu koju bi ponuđač ili treća osoba pretrpjeli zbog kršenja ove zabrane. Osim toga, preplatnik je, u slučaju kršenja zabrane iz prethodne rečenice, dužan da opremu koju ima unajmljenu od ponuđača, otkupiti po punoj cijeni, tj. za vrijednost nove opreme u skladu s važećim cjenikom ponuđača koji važi na dan kada ponuđač od preplatnika zahtjeva kupovinu.

- for a new inclusion of a vehicle into the system, the fee shall be calculated from the date of the inclusion until the last day in the month in the following manner: (subscription fee/30 days x days of use = amount of partial subscription).

The Subscriber also undertakes to pay all the costs (subscription fee) resulting from the use of CVS Mobile by a third party.

The Subscriber undertakes to pay to the Service Provider for all the costs incurred in relation to the collection of his outstanding debts.

INSTALLATION, REINSTALLATION AND UNINSTALLING

Article 8

The equipment shall be installed into the Subscriber's vehicles in accordance with the additionally agreed schedule.

Article 9

Installation, reinstallation and uninstalling of the equipment shall be performed only by an authorised service of the Provider.

Installation, reinstallation and uninstalling shall be calculated in line with the current price list effective on the date of installation, reinstallation or uninstalling. The Provider reserves the right to change the price list for the installation, reinstallation or uninstalling at any time.

The Subscriber is not allowed in any case to install, reinstall or uninstall the equipment by himself or through a third party other than the Provider or an authorised service of the Provider, and shall be held responsible for any damage incurred to the Provider or to a third party as a result of the violation of this prohibition. In addition, the Subscriber undertakes, in case of violation of the prohibition in the previous sentence, to purchase all the equipment leased from the Provider at full price, i.e. for the value of new equipment in line with the Provider's current price list effective on the date when the Provider requires the Subscriber to buy the equipment.

10. član

U slučaju da preplatnik ima ponuđačevu opremu u zakupu i ne plaća zakupninu ili preplatu ili dođe do prekida ugovora za usluge CVS Mobile, preplatnik je dužan ponuđaču neodgodivo omogućiti demontažu unajmljene opreme. Demontaža se zaračunava u skladu s važećim cjenikom koji važi na dan demontaže.

U slučaju prekida ugovora, za vrijeme prekida ugovora se računa trenutak kada je ponuđač demontirao svu unajmljenu opremu koju je prethodno montirao kod preplatnika. Preplatnik je dužan da, za vrijeme od trenutka kada ponuđač zahtjeva demontažu opreme, pa do trenutka kada je ponuđač svu iznajmljenu opremu demontirao, platiti ponuđaču zakupninu i preplatu; visina zakupnine i preplate se određuje proporcionalno vremenu koje je preplatnik koristio opremu. Vrijeme stvarnog prekida ugovora ne utječe na dužnost naručitelja da platiti obvezujuće iznose koji su određeni u 18. i 19. članu ovih uvjeta.

Osim toga se, u slučaju da preplatnik ne ispunji svoje obveze iz prvog stavka ovog člana, smatra se da preplatnik želi kupiti opremu koju ima pod zakupom po punoj cijeni, zbog čega mu ponuđač može po vlastitoj procjeni ili izdati račun u vrijednosti nove opreme ili insistirati na demontaži. U posljednjem slučaju svi troškovi demontaže i s njom povezani troškovi (npr. sudski postupci odnosno intervencija suda, drugi službeni postupci, troškovi postupanja policije, privatnih istražitelja, odvjetnika, javnih bilježnika itd.) padaju na teret preplatnika.

Article 10

If the Subscriber has the Provider's equipment on lease and does not pay for the lease or does not pay the subscription fee, or there is a cancellation of the agreement for providing Services by CVS Mobile, the Subscriber undertakes to enable the immediate uninstalling of the leased equipment to the Provider. The uninstalling shall be charged in line with the current price list effective on the date of the uninstalling.

In case of termination of the agreement, the time of termination shall be regarded the moment the Provider has uninstalled all the equipment under the lease. The Subscriber undertakes to pay the Provider the lease and the subscription fee from the time the Provider requested that the equipment was uninstalled until the time the Provider actually uninstalled all the equipment leased; the price for the lease and the subscription fee shall be determined proportionally to the time. The time of the actual termination of the agreement does not have any influence whatsoever on the subscriber's obligations (in line with Articles 18 and 19 of these Terms and Conditions) to pay the binding amounts specified in Paragraphs 4 and 5 of Article 18 of these Terms and Conditions.

In addition, if the Subscriber fails to fulfil his obligations from the first Paragraph of this Article, it shall be considered that the Subscriber wants to buy the equipment under the lease at full price, for which the Provider may, at his discretion, deliver an invoice at the value of new equipment to the Subscriber or insist on uninstalling. In the latter case, all the costs of uninstalling together with related costs (e.g. court procedures, or court intervention, other legal proceedings, police, detectives, etc.) shall be borne by the Subscriber.

O takvim isključivanjima će ponuđač prethodno obavijestiti preplatnika na internetskoj stranici <http://www.cvs-mobile.hr>.

Trajanje probnog roka navode preplatnik i ponudač u probnom ugovoru za korištenje usluge.

Preplatnik je dužan da najkasnije 8 dana prije isteka probnog roka obavijesti ponudača 1. bilo da će sklopiti preplatnički ugovor, i pri tome navodi uslugu na koju se želi da preplatiti, i/lvi će opremu kupiti ili uzeti u zakup, 2. bilo da neće sklopiti preplatnički ugovor, i pri tome navodi datum kada ponudač može demontirati opremu iz njegovih probnih vozila. Datum demontaže mora biti određen u periodu do isteka probnog roka.

Ukoliko preplatnik ne ispuni svoje obveze iz prethodnog stavka ovog člana, smatra se da je preplatnik s ponudačem sklopio preplatnički ugovor o iznajmljivanju na neodređeno vrijeme za ugrađenu opremu s odabranim paketom i s početkom trajanja preplatničkog odnosa od datuma isteka probnog perioda i u skladu s trenutno važećim cjenikom.

The Subscriber undertakes, no later than 8 days prior to the expiry of the trial period, to notify the Service Provider that 1. he is either entering into a subscription agreement, specifying the Service to which he wishes to subscribe, and/or is buying or leasing the equipment; or 2. he does not intend to enter into a subscription agreement, specifying the date when the Service Provider can uninstall the equipment from his trial vehicles. VLASNIČKO PRAVO I PRETHODNI OTKUP OPREME

17. član

Oprema, koju preplatnik unajmi ili se ugradi u preplatnikovo vozilo, vlasništvo je ponudača i zato je preplatnik nakon isteka preplatničkog odnosa dužan odmah je vratići ponudaču.

Ugovorne strane se mogu bilo kada u periodu trajanja preplatničkog ugovora ili/i poslije njegovog završetka dogovoriti o otkupu opreme.

PRESTANAK UGOVORA, ONEMOGUĆAVANJE PRISTUPA PODACIMA I OTKAZ UGOVORA

18. član

Preplatnički ugovor se sklapa za period koji je naveden u ugovoru i počinje da teče sljedećeg dana od dana obostranog potpisivanja ugovora. Ako period sklapanja na ugovoru nije naveden, ugovor je sklopljen na neodređeno vrijeme.

U slučaju da se ugovor sklapa na neodređeno vrijeme, otakzni rok je 30 dana. U slučaju otakzivanja ugovora sklopljenog na neodređeno vrijeme, a prije isteka roka od 24 mjeseca od dana početka njegovog važenja, preplatnik je dužan da plati ponudaču demontažu opreme u vrijednosti od 50€/vozilu (iznos ne uključuje PDV).

Ako se preplatnički ugovor sklapa na određeno vrijeme (na period naveden u ugovoru) i preplatnik raskinje ugovor pre isteka tog perioda, dužan je da ponudaču u roku od 8 dana po raskidu plati sve obaveze, koje bi za njega nastale na osnovu ugovora do isteka perioda navedenog u ugovoru, kada prijevremenog raskida ne bi bilo. Pri tome se za obračun uzima stanje opreme i usluga na dan odustajanja od ugovora.

Article 17

The equipment, leased or installed in the Subscriber's vehicle, shall remain the under the ownership of the Provider, therefore obliging the Subscriber to return it to the Provider as soon as the subscription expires.

The contractual parties may agree on the purchase of the equipment at any time during the duration of the subscription agreement and/or after its cessation.

CESSATION OF THE AGREEMENT, PREVENTION OF DATA ACCESS AND CANCELLATION OF THE AGREEMENT

Article 18

The subscription agreement shall be concluded for the period specified in the agreement and begins on the day following the day of mutual signing. If the agreement period hasn't been stated, the agreement shall be concluded for an indefinite period.

In the event that the agreement shall be concluded for an indefinite period, the cancellation period shall last for 30 days. In the event of cancellation of an agreement concluded for an indefinite period, and prior to an expiration date of 24 months from the day of entering into force, the subscriber shall be obliged to pay demounting of the equipment in the value of 50 EUR / vehicle (VAT not included).

If the subscription agreement is to be concluded for an definite period (for the period stated in the agreement) and the subscriber terminates the agreement prior to that date, the subscriber shall be obliged to pay all obligations within eight days upon termination, which would have arisen based on the agreement by the end of the period, in the event when there would not be any early

Poslije isteka perioda na koji je bio sklopljen ugovor, pretplatnički odnos se automatski nastavlja kao novi ugovor, uz iste uvjeti i u istom trajanju kao prethodni, ukoliko neka od strana u roku od jednog mjeseca prije isteka perioda na koji je ugovor sklopljen ne izjavi drugačije. Pod uvjetima iz ovog stava pretplatnički odnos može više puta da se automatski produži. Odredba ovog stava važi ako se ugovorne strane ugovorom ili posebnim pisanim sporazumom ne dogovore drugačije.

U svim slučajevima prestanka prema ovom članu, pretplatnik je također dužan da u cijelosti podmiri sve obaveze iz pretplatničkog i zakupnog/kupovnog odnosa, nastale do dana kada je pretplatnički odnos stvarno prestao, tj. do trenutka kada je pretplatnik bio isključen iz usluge CVS Mobile odnosno u slučaju iznajmljivanja opreme kada je ista vraćena ponuđaču.

Svaka od ugovornih strana može da otkaže pretplatnički odnos bez otkaznog roka ako utvrdi da suprotna strana krši odredbe ovih općih uvjeta, pretplatnički ugovor ili odredbe važećih propisa.

Ponuđač može bilo kada, bez otkaznog roka, da otkaže pretplatnički odnos ako je protiv pretplatnika započet ili završen postupak prinudnog poravnanja, stečaja, likvidacije, brisanja iz sudskeg registra ili drugi postupak zbog insolventnosti ili prinudnog prestanka, ili ako ponuđač na drugi način utvrdi da pretplatnik ima ili bi mogao da ima probleme u smislu poslovanja i ispunjavanja ugovornih obaveza.

19. član

Ponuđač ugovor o pretplačničkom odnosu, bez predhodnog odobrenja predplatnika, može u bilo koje vrijeme prenijeti na bilo koje poduzeće u većinskom vlasništvu društva CVS Mobile, odnosno, poduzeće u nadležnosti društva CVS Mobile, o čemu će prethodno obavijestiti pretplatnika. Nakon upoznavanja s općim uvjetima naručitelj daje svoj pristanak na takav prijenos. Svaki drugačiji prijenos pretplačničkog ugovora zahtjeva pismeni pristanak suprotne strane, inače takav pristanak nije valjan. Ugovor o pretplačničkom odnosu obvezuje sve stranke, njihove pravne nasljednike, pravne zastupnike i opunomoćene.

20. član

Ponuđač zadržava pravo da u slučaju da pretplatnik ne podmiruje sve svoje prisjepte obveze, onemogući pristup podacima u Centralnoj informacionoj bazi podataka, i to za sva vozila pretplatnika koja imaju instaliran sustav CVS Mobile. U periodu dok je pristup podacima onemogućen zbog nepodmirenja obveza od strane pretplatnika, pretplatnik je uprkos tome dužan ponuđaču platiti sve svoje obveze (preplata, zakupnina i drugo), određene ugovorom i važećim cjenikom. Poslije cijekopune otplate svih prisjepljih obveza, ponuđač je dužan pretplatniku ponovo omogućiti pristup podacima u Centralnoj informativnoj bazi podataka, pri čemu ponuđač ne odgovara za podatke u periodu kada je pristup pretplatniku Centralnoj bazi podataka onemogućen.

Ukoliko pretplatnik ne podmira svoje obveze u roku od tri mjeseca od njihovog dospijeća, ponuđač ima pravo isključiti SIM kartice iz mobilne mreže. Takvo isključivanje znači i otkaz pretplačničkog odnosa od strane ponuđača bez otkaznog roka. U slučaju takvog otkaza ugovora od strane ponuđača, za pretplatnika nastaju iste posljedice određene u 4. odnosno 5. stavu 18. člana (obveze na 24 ili 36 mjeseci) ovih općih uvjeta; pri tome nije važno kada ponuđač isključuje SIM karticu odnosno odstupi od ugovora, a isto tako nije važno kada period od tri mjeseca neplaćanja pretplatnika istekne; iako ponuđač isključi karticu, odnosno odstupi od ugovora ili period od tri mjeseca istekne nakon isteka ugovorne obveze, to ne utječe na pretplatnikovu dužnost plaćanja iz 4. odn. 5. stava 18. člana ovih uvjeta.

UVJETI ZA ISKLJUČIVANJE USLUGE

21. član

Ponuđač može, zbog zaštite pretplatnikovih interesa ili sprječavanja zloupotreba prema pretplatniku, privremeno spriječiti upotrebu usluge CVS Mobile u slučaju sumnje u zloupotrebu ili ako s pretplatnikom ne može uspostaviti kontakt.

Ponuđač isključuje GPS/GSM modem iz mobilne mreže ako ponuđač ili koncesionar odn. njegovi ugovorni partneri utvrde da se pretplačnička kartica koristi u GPS/GSM modemu ili bilo kojem drugom terminalu koji je ukraden, zloupotrijebljen ili otuđen na protupravni način ili ako utvrdi da se pretplačnička kartica koristi na nekom drugom terminalu koji nije GPS/GSM modem.

U slučaju uništenja, gubitka ili krađe GPS/GSM modema ili druge ugrađene opreme, pretplatnik je dužan o tome odmah pisanim putem obavijestiti ponuđača, a u slučaju krađe, i policiju.

U slučaju prijave uništenja, gubitka ili krađe GPS/GSM modema ili druge ugrađene opreme, ponuđač će onemogućiti korištenje SIM kartice. Ponuđač će to učiniti najkasnije za 24 sati poslije primitka pisane obavijesti pretplatnika. Eventualni troškovi obavljenih usluga u periodu do stvarnog isključivanja padaju na teret pretplatnika.

U slučaju uništenja, gubitka ili krađe GPS/GSM modema ili druge ugrađene opreme, pretplatnik je dužan ponuđaču platiti iznos koji odgovara vrijednosti

cancellation. The calculation shall include the status of equipment and services on the day of cancellation.

After the period which was concluded in the agreement, the subscription will automatically continue as a new agreement, with the same terms and in the same duration as the previous one, unless one of the parties within one month before the expiry of the period for which the contract was made, declares otherwise. Under the terms from this paragraph, subscription can be multiply automatically prolonged. The provision from this paragraph shall be valid unless the parties agree otherwise in written form.

In all cases of cessation under this Article, the Subscriber is also required to pay in full all his liabilities resulting from the subscription and leasing/purchasing relation accrued until the actual date of the cessation of the agreement, i.e. until the moment the Subscriber is disconnected from the CVS Mobile service or, in the case of leasing, when the equipment is returned to the Provider.

Each contractual party may cancel the subscription without a period of notice if he establishes that the other party is violating provisions of these General Terms and Conditions, the subscription agreement or the provisions of current regulations.

The Provider can, at any time and without a period of notice, cancel the subscription if a forced settlement, bankruptcy, liquidation, removal from the court register or other proceeding resulting from the insolvency or forced termination of operation has been initiated or completed against the Subscriber, or if the Provider establishes in some other way that the Subscriber has or could have problems related to its operation and fulfilment of his contractual obligations..

Article 19

The Provider may transfer the subscription contract without prior written consent by the Client at any given time onto any CVS Mobile majority-owned company or any enterprise controlled by CVS Mobile while providing a notice on the transfer to the Client. Upon reading these General Terms and Conditions, the Client consents in advance to such a transfer. Any other manner of transfer of subscription contract requires the written consent by the opposite party. Otherwise, such a transfer will be considered null and void. The subscription contract is binding to every participating party and their successors, legal representatives and authorized persons.

Article 20

The Provider reserves the right to disable access to data in the Central Database to the Subscriber if he does not fulfil due liabilities, for all the Subscriber's vehicles where the CVS Mobile system has been installed. For the period when the access to data is disabled, the Subscriber is nevertheless obliged to pay for all his liabilities to the Provider (subscription fee, leasing fee, and other), specified in the agreement and the current price list. After full payment of all outstanding liabilities, the Provider is required to enable access to data in the Central Database for the Subscriber, whereupon the Provider is not liable for the data in the period when the Subscriber's access to the Central Database was disabled.

If the Subscriber fails to settle his liabilities within a period of three months after they become due, the Provider has the right to exclude the SIM cards from the mobile network. Such exclusion shall mean the cancellation of the subscription by the Provider without a period of notice. In case of such cancellation of the agreement by the Provider, the Subscriber shall bear all the consequences as specified in Paragraph 3 of Article 18 in these General Terms and Conditions; whereby, it is not relevant when the Provider discontinues the SIM card, i.e. withdraws from the agreement, and it is also not important when the period of 3 months of non-payment expires; and if the Provider discontinues the card, i.e. cancels the agreement or the 3-month period expires after the expiry of the binding period, this has no effect on the Subscriber's obligation regarding payment as per Paragraph 3 of Article 18 of these Terms and Conditions.

TERMS FOR DISABLING OF SERVICE

Article 21

The Provider may temporarily prevent the use of the CVS Mobile service in case of suspected abuse or if he can not make contact with the Subscriber, with the purpose of protecting the Subscriber's interest or preventing abuse aimed at the Subscriber.

The Provider shall discontinue the GPS/GSM modem from the mobile network if the Provider or the concessionaire, or its contractual partners, establish that the subscription card is used in the GPS/GSM modem or any other terminal which has been stolen, abused or disposed of in an illegal way, or if they establish that the subscription card is used on any other model which is not the GPS/GSM modem. In case of destruction, loss or theft of the GPS/GSM modem or any other installed equipment, the Subscriber is required to notify the Provider thereof in writing, and in case of theft, also the police.

In the event of a report of the destruction, loss or theft of the GPS/GSM modem or any other installed equipment, the Provider shall disable use of the SIM-card. The Provider shall do this no later than 24 hours following receipt of the Subscriber's notification. Any costs for services used during the period until the actual disconnection shall be borne by the Subscriber.
